Scholarship Awards: Scholarships up to \$2000 based on tuition cost

Thanks to the financial support of the Alliance of Otsuka and Lundbeck, the SSA is able to award scholarships for individuals living with schizophrenia in Alberta who are pursuing post-secondary education.

Eligible applicants must:

- Be a resident of Alberta.
- Be diagnosed with schizophrenia.
- Complete and submit the online scholarship application and reference form.

Applications will be accepted based on the following criteria:

- Proof of acceptance into post-secondary education studies in Alberta. *Preference will be given to those with a minimum of one or more terms completed and in good standing.
- Enrolled in high school equivalency, trade/vocational studies or bachelor/graduate degrees (must be a credited course).
- Employees or representatives of The Alliance of Otsuka and Lundbeck and the Schizophrenia Society of Alberta are not eligible to apply. Please note that SSA Supportive Employees are able to apply.

Scholarship disbursement:

- All applicants will be notified by email whether or not their application was successful.
- If successful, a cheque will be mailed directly to the specified educational institution to be credited towards the scholarship winner's fees.

SSA scholarship committee:

- Submitted application and reference forms are reviewed by the SSA Scholarship Selection Committee only and are kept confidential.
- The description of the applicants recovery journey, as well as, career and study goals is critical in the Scholarship Selection Committee's decision making process. This section should be a minimum of 500 words.
- If you would like to keep your name confidential (i.e. the selection committee should not share your name anywhere such as in a list of scholarship recipients etc.), please specify this in your application.
- **Incomplete applications will not be considered.**

If you have any questions or require support, please contact **403-986-9440** or **info@schizophrenia.ab.ca**.
